

Sponsor Our Care: Be the Vision Behind the Healing

Our healthcare providers are wonderful, but they can't fight what they can't see. We are looking for community champions to help us bring a critical piece of technology to our hospital: a new **Chemistry Analyzer**. This $240,000 "medical detective" uncovers hidden clues in a patient's blood, giving our providers the data they need to make life-saving decisions.

How Your Sponsorship Helps:

- **80% Immediate Impact**: Funding the new Chemistry Analyzer to deliver faster, more accurate lab results.
- **20% Future Security**: Strengthening our Endowment Fund to ensure care for generations to come.

Will you join us as a Sponsor and make a lasting difference in our health system?

- **Sponsorship Deadline: Monday, September 14th**
