Authorization to Disclose Protected Health Information

Please read the following statements carefully: This authorization is voluntary. I may refuse to sign this authorization or revoke this authorization at any time. I understand that this authorization is valid up to one year from the date signed. I understand that my revocation or refusal to sign this authorization will not affect treatment, payment, enrollment in a health plan or eligibility for benefits (if applicable). I understand that if I revoke this authorization, revocation will take effect on the day it is received in the Health Information Services Department and upon receipt of written revocation, the entity will stop using or disclosing information except to the extent it already took action in reliance on the authorization. I understand that I may inspect or copy the health information disclosed at any time. I understand there may be a reasonable charge to obtain a copy of these records. I further understand that if the person or entity that receives the above specified information is not a health care provider, health plan, or health care clearinghouse covered by the federal privacy regulation or a business associate with these entities, the information described above may be re-disclosed and no longer protected by the federal privacy regulations.

Signature of Patient or Legal Representative

Date Signed

If signed by Legal Representative, Relationship to Patient

Notice to Receiving Person/Agency/Entity: This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR part 2). The federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose (see § 2.31). The federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at §§ 2.12(c)(5) and 2.65. See also Chapter 228 and Chapter 141(A) of the Iowa Code and other applicable laws.

Internal Use Only. **Employees check the boxes below:**

❑ Identification Verified ❑ Copy of signed authorization given to patient
