

Regional Medical Center (RMC) offers financial assistance to persons who need emergency or other medically necessary healthcare. Financial Assistance Application and policy are available on our website at regmedctr.org/FAP in English and Spanish.

Eligibility Requirements

Total income of the people living in the home is used to determine if you will qualify for assistance.

- If household income is ≤ 150% of the Federal Poverty Income Guideline (FPIG), you will not have to pay your hospital bill.
- If household income is between 150-300% of the FPIG will not pay more than the amounts generally billed to individuals who have insurance, and may be eligible for additional discounts.

| Discount % | 100% (150% FPIG) | 75% (200% FPIG) | 50% (250% FPIG) | 25% (300% FPIG) |
